Harris Teeter partners with Town of Fort Mill to host COVID-19 vaccination clinic March 4

Harris Teeter Pharmacists to administer COVID-19 vaccine to eligible individuals

Matthews, N.C. – Harris Teeter announced today a COVID-19 vaccination clinic in partnership with Town of Fort Mill. Harris Teeter’s highly trained Pharmacists will administer first dose COVID-19 vaccines to eligible individuals on Thursday, March 4, 2021, 8:30 am to 3:30 p.m. at Fort Mill Community Center*.

** As the healthcare provider for this vaccination event, Harris Teeter is responsible for protecting the Personal Health Information (PHI) of all those participating in vaccinations under the federal HIPAA Privacy Rule. To ensure we are 100% compliant with this effort, there is no media allowed inside the event site. We appreciate your understanding in protecting our patients’ information as we work to vaccinate our communities and help bring an end to the pandemic.*

Eligible individuals include healthcare workers, residents and staff of long-term care facilities and seniors aged 65 and older. The no-cost vaccination is available by appointment only while supplies last. Appointments can be scheduled beginning today, March 2, 2021 using Harris Teeter’s online [vaccine appointment scheduler](#).

Second dose appointments are available April 1, 2021 at the same location and will be scheduled simultaneously with the first dose appointment.

Second Dose Clinic details:

- April 1, 2021, 8:30 am to 3:30 p.m.

“Harris Teeter’s trusted Pharmacists remain committed to helping our patients and associates live healthier lives,” said Danna Robinson, communication manager for Harris Teeter. “Throughout this pandemic, Harris Teeter’s most urgent priority has been providing a safe shopping experience for our associates and shoppers. In addition to maintaining safety inside our stores, we’re also committed to helping our communities safely re-open through administering the COVID-19 vaccine to eligible individuals.”

"The Town of Fort Mill is pleased to work with Harris Teeter in bringing the much needed COVID-19 vaccine to our community," said Mayor Guynn Savage." We appreciate the opportunity to partner in this effort by providing a location and logistics. Hopefully together we will help many during this troubling time."

Individuals with an appointment will need to provide a valid driver's license or government issued identification card. While the vaccine is at no out-of-pocket cost, patients with health insurance should bring their insurance card to their appointment. Parking is limited, so individuals with an appointment should arrive no earlier than 15 minutes prior to their appointment time.

Harris Teeter plans to continue administering the vaccine in a phased approach, based on state guidelines, when available to Pharmacies. For the most updated information regarding vaccine eligibility and availability at Harris Teeter Pharmacies, please visit <https://www.harristeeter.com/covidcare>.
