

2022 FORT MILL FARMERS MARKET
VENDOR Guidelines During COVID-19

We are following all SC COVID-19 Guidelines. We have signage at the Farmers Market with social distancing reminders. We want to ensure that our Farmers Market is as safe as possible during COVID-19 so please follow all guidelines listed below:

1. **GLOVES/MASK/HAND SANITIZER**

Vendors should wear gloves and/or have hand sanitizer available at their station. Be sure to sanitize and/or change gloves between customers when necessary. Since this is an outdoor market, masks are not required but strongly recommended. Practice Hygiene Safety!

2. **HANDLING OF FUNDS**

Electronic and/or contactless transfer of funds is recommended to reduce spread of COVID-19.

3. **PLEASE STAY HOME IF YOU ARE NOT FEELING WELL.**

Stay home if you're sick and avoid close contact with people who are sick. If you or one of your employees test positive for COVID-19 after selling at the Fall Market, please notify Asst. Events Coordinator, Brandon Partyka, immediately at bpartyka@fortmillsc.gov

4. **PRODUCTS**

Do not touch any products in any other tent than your own to reduce points of contacts for the safety of everyone at the market. Please ask customers to point to the item they want and allow you, the Vendor, to package it for them. If someone wants to smell something, please hold it for them to reduce touch points.

5. **SOCIAL DISTANCING**

Practice social distancing – at least six feet, even when wearing a mask as you are walking through the market.

HAVE FUN BUT BE SAFE!!
