

**FOR IMMEDIATE RELEASE- Celebrate the Holidays with Fort Mill’s Christmas in July Market**

July 24, 2024— Get ready to deck the halls a little earlier this year as the Fort Mill Farmers & Artisans Market celebrates its first ever “Christmas in July” Night Market on Saturday, July 27 from 5-8 p.m.

Located at Veterans Park, 106 N. White Street, the event will feature all the sights, sounds and tastes of the holidays with a summer flair! Visit and take photos with Santa Claus, the Gingerbread Man and a Christmas Tree Stilt Walker. Shoppers will also be able to enjoy holiday music presented by Stateline Productions, holiday decorations sprinkled throughout the Market, and Christmas in July crafts for the kids. There will also be two special holiday workshops to get customers in a festive mood. Customize a fall or winter scented mini “Sugar Scrub” for just \$10 with SOAK Bath & Body and create a wood slice ornament with Nailed It DIY-Fort Mill. You can choose from assorted colors and designs for \$3 each.

We will have a full lineup of 39 of our regular Farmers and Artisans Market Vendors featuring produce, plants, baked goods, seasonings, elderberry, lemonade, kettle corn, and meats, as well as handmade or handcrafted items from a wide variety of artisans and craftsmen. And don’t forget the food! Savor delicious food and drinks by Palmetto Pony (featuring holiday flavors along with their regular menu), Pelican’s SnoBalls, Gizmo’s Grill, Say Cheese 518 and S & K Funnel Cakes.

It may be hot outside, but we are ready to celebrate like it’s winter! Come out and enjoy all our Market has to offer while experiencing “Christmas in July” with us!

Please note, our regular morning Market will not be held due to this special night event.
