For specific questions on what can and cannot be collected in your recycling cart, please contact the Town of Fort Mill's Public Works Department at (803) 547-7158.

What *can't* I place in my recycling cart?

PLASTIC BAGS

NON-BOTTLE PLASTIC food containers, plasticware

TIRES

WAX COATED PAPER milk or juice cartons

CLOTHES

GLASS

BATTERIES

MOTOR OIL

PROPANE TANKS

Other items you can't recycle: styrofoam, shredded paper, linens, scrap metals (mowers, appliances, bicycles, etc.) cooking oil, antifreeze, paint, electronics, bulbs, construction materials, yard debris, or carpets.

You can throw wax-coated paper and non-bottle plastics in your trash, but the rest of these non-recyclable items (including glass) can be taken to one of York County's Solid Waste Collection & Recycling Centers in Fort Mill:

1) Baxter Center at 1731 Highway 160 or 2) Fort Mill East Center at 2085 Fort Mill Parkway at West Hensley Road.

Helpful Tips for Recycling

1

Leave lids on your plastic bottles.

2

Rinse food containers to remove all food and drink residue.

3

Pizza boxes can be recycled, but remove all food and greasy liners from inside.

4

Plastic bags can't be placed in recycling carts, but are accepted at local grocery stores.

5

Do not place recyclables in a plastic bag. Place items directly in the recycling cart.

6

Large amounts of construction debris, yard debris and oversize tires must be taken to the York County Landfill.

7

Do not place glass of any type in your recycling cart.

8

Do not place any trash inside your recycling cart.

9

You can throw wax-coated paper and non-bottle plastics in your trash, but the rest of these non-recyclable items (including glass) can be taken to one of York County's Solid Waste Collection & Recycling Centers in Fort Mill:
