

## **Fort Mill Farmers Market**

### **VENDOR Guidelines During COVID-19**

We are following all SC COVID-19 Guidelines. We will have signage throughout the farmers market with social distancing reminders. We want to ensure that our Farmers Market is as safe as possible during COVID-19 so please follow all guidelines listed below:

1. **GLOVES/MASK/HAND SANITIZER**

Vendors are required to wear gloves and have hand sanitizer available at their station. Mask are not required but strongly recommended.

\*Fort Mill Town Council approved an ordinance on Monday, July 6, 2020, requiring the public to wear face coverings while inside any food, retail and service establishments within Town limits and inside any Town government offices. This DOES NOT APPLY to the Farmers Market.

2. **PLEASE STAY HOME IF YOU ARE NOT FEELING WELL.**

Stay home if you're sick and avoid close contact with people who are sick. If you or one of your employees test positive for COVID-19 after selling at the Farmers Market, please notify Events Coordinator, Jacona Hester, immediately at 803-487-5413 or [jhester@fortmillsc.gov](mailto:jhester@fortmillsc.gov)

3. **VENDOR EMPLOYEES**

Please send as few as possible number of employees to work the vendor tent. It's best not to bring children to the farmers market during this time.

4. **PRODUCTS**

Do not touch any products in any other tent than your own to reduce points of contacts for the safety of everyone at the market. Please ask customers to point to the item they want and allow you, the Vendor, to package it for them.

5. **SAMPLING**

No samples of any kind are allowed during COVID-19.

6. **SOCIAL DISTANCING**

Practice social distancing – at least six feet, even when wearing a mask as you are walking through the market. Please ask customers to do the same while at your tent.

7. **DEPARTURE**

Please help customers purchase and depart the market as quickly as possible. We want to keep the gathering as small as possible at any one point in time while serving the maximum amount of people possible while the market is open.

**HAVE FUN BUT BE SAFE!!**
