Effective Date: 11-1-2019

Rainy Day Inspection Policy

The TOFM will not perform Rainy Day Inspections on any outdoor plumbing piping or electrical conduit. This procedure is to insure there is no pipe leakage or pipe settlement. This will include plumbing under slab inspections, water and sewer inspections or electrical conduit that may be submersed in water and/or in a ditch that will not have the proper pipe bedding, These Inspection will be cancelled, and it will be the responsibility of the contractor to re-request the inspection on a dry day.
