

Town of Fort Mill Policies and Procedures (Building Inspection Division)

Effective Date: 10-31-2018

Asbestos Survey Policy

The TOFM will notify any/all contractor that work within the incorporated town limits of the TOFM of the SCDHEC requirements for the testing of Asbestos and Lead Based Paint. However, it will be the responsibility of the contractor of record to contact SCDHEC, in reference to Asbestos and Lead testing. Any structure or part of a structure that is scheduled to be demoed as part of the project must be tested as per SCDHEC requirement. The Town of Fort Mill will not enforce any of the SCDHEC requirements as per SCDHEC request.

The Town of Fort Mill will only be required comply with SCDHEC Ordinances and Regulations on project owned by the Town of Fort Mill.

Submittal Requirements: Asbestos Survey Policy (Formatted July 1,2020)
