

**Town of Fort Mill Farmers Market**  
**PUBLIC Guidelines During COVID-19**

We are following all SC COVID-19 Guidelines. We will have signage throughout the farmers market with social distancing reminders. We want to ensure that our Farmers Market is as safe as possible during COVID-19 so please follow all guidelines listed below:

1. **PLEASE STAY HOME IF YOU ARE NOT FEELING WELL.**  
Stay home if you're sick and avoid close contact with people who are sick.
  
2. **SOCIAL DISTANCING**  
Practice social distancing – at least six feet, even when wearing a mask as you are walking through the market.
  
3. **PRODUCTS**  
Do not touch any of the products in the tents. Simply point to the item you want and allow the vendor to package it for you.
  
4. **SAMPLING**  
There will be NO sampling of ANY products during COVID-19.
  
5. **DEPARTURE**  
Please make your purchases and depart the market as quickly as possible. We want to keep the gathering as small as possible at any one point in time while serving the maximum amount of people possible while the market is open.

Thank you for supporting Town of Fort Mill Farmers Market!
